

**Title: EcoTots – A Sustainable Marketplace for Gently Used Children's Clothing**

**Student Names:** Lovish Dhanda & Gurkanwal Singh

**Abstract:** EcoTots is an online platform designed to facilitate the exchange of gently used children's clothing. By providing a dedicated, user-friendly, and secure space for parents, it promotes affordability and sustainability. Unlike general marketplaces, EcoTots is tailored to the needs of families, ensuring an efficient, trusted, and environmentally conscious solution for children's wardrobe needs.
